

MEN, GET CURED.

I make men well. I give them health, vigor and vitality with which to make life successful. Maladies peculiar to men are the only ailments I treat. For over twenty-five years I have made a special study of this class of diseases and have restored more men to robust, forceful manhood than any specialist in America. My success with others is a guarantee of success in your case. You may have been treated but not cured. You may be under treatment but not getting well. If treatment doesn't cure, it is either because it is not for the right trouble or because it is not the right treatment for the real trouble. You want a cure. Come and consult me. I will cure you today, nothing but the examination and a diagnosis of your troubles. I will cure you today, nothing but the examination and a diagnosis of your troubles. I will cure you today, nothing but the examination and a diagnosis of your troubles.

THE AILMENTS I CURE.

I CURE VARICOCELE without an operation. I CURE TRICHOAL STRUCTURE with or without cutting or the use of electricity. The treatment is painless, the cure positive. I CURE CONTAGIOUS BLINDNESS without the use of dangerous drugs. I CURE LOST MANHOOD, NERVOUS DEBILITY, also KIDNEY, BLADDER AND PROSTATIC TROUBLES, weak, aching back and all private diseases and weaknesses of men.

Local colleges will be busy on the gridiron to-day, the various institutions having games scheduled both here and in outside towns. Interest in the city will center on two games to be played here—between Smith Academy and the Shurtleff College team at the Pastime Grounds this afternoon, and between St. Louis University's eleven and the College of Physicians and Surgeons at Sportsman's Park.

The Christian Brothers' team will play against a selected eleven to be known as the Hargadine-McKittick team, composed of former players well known in this city. This contest is scheduled for the C. B. campus this afternoon. The affair will complete the local schedule for to-day.

Washington University journeys to Champaign this morning, and will there line up against the strong University of Illinois team—an eleven which Martin Delaney of the St. Louis University predicts will be one of the strong factors in Western football this year. Washington was defeated by the Illinois eleven 12 to 0 last season, and the score of to-day's game will be awaited with considerable interest.

High School will play at Troy, Mo., to-day and will there meet Buchanan college. High has been practicing steadily of late and will play practically the same team that it did last Saturday. Martin Sims will spend his afternoon working his men out on their grounds in Forest Park. The first game of the latter eleven will be with the West Ends next Saturday.

The West Ends go to Rolla to-day to play the School of Mines team. The West Ends have not had much opportunity to become seasoned this year, as they have had to practice at the Battery A grounds at night, the electric light giving them no opportunity to indulge in punting practice. They will have several players of experience in the bunch to-day, however, and should put up a good game against Rolla.

The Smith Academy-Shurtleff game should be productive of a good contest to-day and the local school has a strong chance to beat the visitors in spite of the fact that Shurtleff will have all the advantage in weight. Coach Beattie has been

working his men hard all week, and last Saturday he sent them against the McRay-Dewey Academy team. They won rather handsily. Shurtleff's average weight to-day will be about 160, while Smith Academy will probably average twelve to fifteen pounds less per man.

Albert S. Cantlin will be referee at the game and E. S. Wilson, captain of last season's track team at Amherst, will serve as timekeeper. The line-up will be:

Smith Academy: Position, Quarterback, James J. Harvey; Right end, John C. Cantlin; Left end, John C. Cantlin; Right tackle, John C. Cantlin; Left tackle, John C. Cantlin; Right guard, John C. Cantlin; Left guard, John C. Cantlin; Center, John C. Cantlin; Fullback, John C. Cantlin; Halfback, John C. Cantlin; Quarterback, John C. Cantlin.

Washington University's team is now captured by the Washington student body, the eleven, Gordon having resigned from that position. Gordon will not accompany the team to-day, and Hope and Fisher will be the two end men. The line-up with Illinois will be:

Washington: Position, Quarterback, John C. Cantlin; Right end, John C. Cantlin; Left end, John C. Cantlin; Right tackle, John C. Cantlin; Left tackle, John C. Cantlin; Right guard, John C. Cantlin; Left guard, John C. Cantlin; Center, John C. Cantlin; Fullback, John C. Cantlin; Halfback, John C. Cantlin; Quarterback, John C. Cantlin.

St. Louis University and the College of Physicians and Surgeons will furnish a game at Athletic Park that should result in a good contest. The P. and S. team is the weight of the pair, but the University boys are the better team in all other respects. They have had the advantage of steady coaching for the past few weeks.

Couch Island's team is making its team fast, the light average weight of the bunch compelling him to turn his attention to speed rather than to dependence on mass plays. He has lost two of his heaviest men through temporary injuries in practice games. Football is making its mark on the team, having retired with a brace strained knee. This will cut down the line's weight considerably.

One addition to the team, however, is Omara Takayama, the Japanese student now entered at the university. Omara has shown a liking for the game, and as he is a member of the team, he will likely prove a valuable addition. He has been placed at right guard and is expected to be a steady contributor.

ILLINOIS FARM PRODUCES A BEET OF UNUSUAL SIZE

THIS CURIOUS THING IS A BEET GROWN ON A FARM NEAR MURPHYSBORO, ILL.

Mrs. Edward J. Kremer of No. 360 Marcus avenue, while unpacking a barrel of vegetables and fruit yesterday afternoon, was surprised to find a huge red beet which in size overtopped any of its fellows. The beet is 24 inches long and has a circumference of 15 inches. It weighs ten pounds and two ounces.

It is of the common red variety and was grown on the farm of Joseph Rader of Murphysboro, Ill. Examination showed that it is a whole vegetable and not two grown together. It is the only one of unusual size grown on a plot of twenty acres, all sown with the same kind of seed. The beet will be preserved in alcohol and presented to some museum.

Cardinals to Appear for the Last Time. Genius's All-Professionals Will Be Their Opponents at League Park To-day.

PLAY SUNDAY GAME AT ALTON. Barnstormers Defeat Murphysboro in an Interesting Game by a Score of Nine to Two.

This will be a gay day for the Cardinals, who are still in the city. Their first well-kept performance will be played this afternoon at League Park with the All-Professionals. To-morrow the barnstormers will fill an engagement at Alton.

The All-Professionals have a strong lineup, and as the Cardinals are playing an old position, the game this afternoon should be close and interesting. Jack Ryan is the Manager of the Cardinals, and Frank Genie is taking care of the financial end of the All-Professional trip. The proceeds of the game will be divided among the players.

The batting order will be as follows: Cardinals: First base, Walter; Second base, Williams; Third base, Williams; Left field, Williams; Right field, Williams; Pitcher, Williams. All-Professionals: First base, Williams; Second base, Williams; Third base, Williams; Left field, Williams; Right field, Williams; Pitcher, Williams.

"YANKEE OAK."—UNMASKED.

"Yankee Oak" is a name covering a multitude of substitutes for genuine Oak Sole leather.

Common "Hemlock" or "Red" leather is now chemically bleached and softened, till it looks like genuine "Oak."

It is then re-christened under some fancy trade name which includes the word "Oak."

But though it looks like Oak, its wear is inferior even to honest Hemlock, which is brittle, heavy, spongy, crumbly and cheap.

Ninety per cent. of all \$3.50 shoes are made of this kind of leather, which the U. S. Government specifically debar from use in Army brogans.

Using such leather in shoe soles, is like putting a mud foundation under a steel structure.

It costs the Regal factory over \$400.00 per day to put the best Oak bark tanned sole leather into every pair, instead of the "Yankee Oak," "Union," and straight "Hemlock" used in other \$3.50 shoes.

This adds a dollar to the wear of every pair of Regals—at no extra cost to you.

Observe in our Windows, the shoe dissection test which no other store dare offer.

Fall styles now on sale.

ANCIENT YOM KIPPUR OBSERVED BY JEWS

From Sundown Last Night Until Sundown To-day the Faithful Pray in Atonement.

Yom Kippur, the Day of Atonement of the orthodox Hebrews, was celebrated in nine synagogues in the Jewish district of St. Louis last night. The services continued until sundown to-day. In some places of worship the most pure remained all night, working themselves into a frenzy, reading ever and over their ritual until in the morning, when the candles were dim, they fell asleep, or became unconscious from physical exhaustion.

Services began in the six regular synagogues about 8 o'clock last evening and lasted until 12:30 a. m. There were held on the Jewish festival, where 1,000 to 2,000 Jews are crowded together within a few blocks. The district extends from the levee to Forest street, and from Locust to Cass avenue.

At the center of the synagogue, in the place, religiously hallowed by electricity and candles, where a censer man and boys, chanting the choir, chant the ritual led by the Reverend Samuel Rosenberg. No music is used, but as the voices are usually low, the fact that the grave awaits them is not lost on them.

The priest represents the attorney for the congregation. The members, consisting themselves as defendants before the throne of God asking for mercy, and that their sins be forgiven.

As the voice of the priest at times grows more impassioned, the worshippers beat their breasts and shout in a sing-song manner, protesting themselves and often weeping.
